Company Information

Welcome to livinghouse.co.uk. We are a family company initially established in 1991. We are a specialist interior design retailer of inspirational interior finishes. Our products are carefully researched within the market for their style, cutting edge innovation and most importantly, quality of manufacture.

We offer an impressive range of contemporary, traditional and modern sanitary ware including Victorian roll top baths, shower enclosures and doors, walk in showers for wet rooms, basins, wash stands, stone wash bowls, glass wash basins and high quality taps.
